Mr. Tucker handed out a spreadsheet to the committee members showing the available and outstanding loan balances as well as the amounts in the reserve accounts for both the SBA and the CEDC loan funds. He reviewed the sheet with the committee. He reminded the committee the SBA required 15% of the outstanding loans be maintained in reserve accounts. He stated the total reserves of the SBA and the CEDC loan fund totaled \$363,000. He stated the sheet was a first step in determining the funds available to lend and the amount of loans outstanding.

Mr. Tucker reminded the committee that they would be receiving \$300,000 additional SBA funding. Ms. Lane stated the SBA required the funding be drawn down in 2 years. Mr. Stair stated he would prefer to review all loans. Ms. Lane suggested the loan committee could be granted the responsibility of approving loans up to a certain amount. EZ Foods of the Northeast:

Ms. Lane stated the principal had two previous loans with CEDC. She stated he had paid off his first loan and was requesting a loan of \$9,000. The loan proceeds would be used to pay off the current outstanding loan, provide funding to purchase additional inventory, produce marketing materials and working capital. She stated the proposed rate was 7.25% and the term was 36 months. She stated the collateral would be a first lien on all business assets and the title to a 2007 Toyota Tacoma pickup. Ms. Lane stated over the past 3 years his sales figures have increased and he had hired an accountant. Mr. Stair made a motion, seconded by Mr. Bartolotta to recommend the EZ Foods loan to the full CEDC Board for consideration. Carried.

Other Business:

Mr. Tucker reminded the committee that Tony Jones, Chair of CEDC was an ex-officio member of all committees unless the committee chose to add him as a voting member. *Mr. Stair made a motion, seconded by Mr. Bartolotta to add Tony Jones as a voting member of the loan committee. Carried.*

Mr. Stair questioned the interest rate on the SBA loans. Mr. Tucker stated he had done a survey of the interest charged to SBA loans and had found that the Adirondack area charged 6%. Mr. Stair was in favor of reducing the interest rate. Mr. Howard suggested that some type of written rationale be developed prior to dropping the interest rate. The committee agreed.

Adjournment:

With no further business to come before the committee and no public present, Mr. Stair made a motion, seconded by Mr. Bartolotta, to adjourn the meeting. Carried.

The meeting adjourned at 1:50 p.m.

Respectfully submitted by Lisa Draushuk

COLUMBIA ECONOMIC DEVELOPMENT CORPORATION LOAN POLICY MANUAL

INTRODUCTION

Columbia Economic Development Corporation (CEDC) is a New York not-for-profit Local Development Corporation. It serves as the lead economic development organization in Columbia County, New York. Its mission is to strengthen the area's tax base through economic development and job creation, to assist businesses to locate and expand within the County, and to promote Columbia County as a premier spot for both business investment and personal opportunity. CEDC administers two small business loan programs:

CEDC Revolving Loan Program. Low-interest loans are offered to businesses that will create jobs in Columbia County. CEDC maintains a revolving loan fund that startup and expanding businesses can access providing that various criteria are met.

SBA Microloan Program. CEDC has been designated the U.S. Small Business Administration's intermediary lender for its Microloan program for Columbia and Greene Counties. CEDC makes SBA Microloans to small, medium, and even large businesses. In addition, CEDC conducts business seminars and provides microloan borrowers with free, SBA-funded Technical Assistance from CEDC staff and consultants.

OBJECTIVES OF THE LOAN PROGRAM

1. Promote development that provides fiscal benefit and economic stability to Columbia County.
2. Assist women, low-income, veteran, and minority business owners, as well as other individuals possessing the capability to operate a successful business, who are unable to obtain sufficient funds from traditional lending sources, such as banks.
3. Attract businesses that provide quality employment opportunities for the residents of Columbia County.
4. Encourage expansion and/or modernization of businesses that will further the county's competitive position in the region.

LOAN COMMITTEE

The Loan Committee is a standing committee of the Corporation that considers loan requests for approval. Each loan shall have a specific risk rating assigned to it, which will determine the initial loan loss reserve allocation for that loan. The loan committee typically meets at least quarterly, and in addition to loan approvals, the committee reviews quarterly Loan Status Reports prepared by the Bookkeeper.

From the Corporation's By-Laws:

“The Loan Committee may include residents of Columbia County, with preference given to those individuals possessing experience and expertise in business lending. The Loan Committee shall be comprised of at least five (5) Directors of the Corporation.

The responsibilities of the Loan Committee shall be limited to reviewing applications to the Corporation for loans from the loan funds administered by the Corporation and issuing recommendations to the Board with regard to proposed actions on such applications. The Board may from time to time modify the authority of the loan committee to approve or disapprove loans, including the amount thereof, by resolution duly adopted by the Board; provided, however that any such modification shall not be effective as to any loan approved or disapproved prior to the date of such Board action. A majority of the individuals then serving on the Loan Committee shall constitute a quorum for the transaction of business on any specified item of business by the Loan Committee. The vote of a majority of the individuals serving on the loan committee shall be the act of the Loan Committee. The Committee's meetings shall be open to the public in accordance with the salient provisions of the Open Meetings Law of the State of New York, as set forth within article 7 of the Public Officers Law.”

It should be noted that a quorum requires a majority of voting members of the Loan Committee.

Loan proposals will go to the Board of Directors when either or both of the following occur:

1. The loan amount requested is greater than \$25,000, and/or
2. The loan is not unanimously approved by the Loan Committee

The Board of Directors sets overall lending policies and may, at any time, modify such policies and change, modify or reverse any decision determined to not be in the best interest of CEDC.

Credit Reports

Credit reports are ordered and examined for all principals with at least 20% ownership, as well as for co-signers of loan applications. CEDC does not have a minimum credit score requirement.

Collateral

All loans must be secured. Collateral may include real property, equipment, receivables, and other business or personal assets. All loans require personal guarantees. Collateral is perfected by applicable filings with the Department of State, Department of Motor Vehicles, and county recordings.

Amortization and Repayment

1. SBA Microloans may be amortized up to six years. Although the longest allowable term is desirable in order to keep monthly payments low, the initial term should generally be five years. This allows for a 6-month deferment during the life of the loan, or other refinancing arrangements. The loan term may not exceed 6 years.
2. CEDC loans may be amortized up to 10 years. Longer terms will be considered on a case-by-case basis.

Interest

Interest shall be calculated on a 365-day year, actual number of days elapsed.

UNDERWRITING PROCESS

Staff members involved in the loan program are the primary originators of loans. Lending staff meet with clients and collect applications, financial statements and other relevant information, including credit reports. They provide guidance in fine-tuning a business plan. If appropriate, they refer to clients to technical assistance providers such as other CEDC staff, NYS Small Business Development Corporation staff, SCORE, or paid consultants who have a written agreement with CEDC to provide technical assistance to its clients. Once complete, lending staff prepares the Loan Request.

Loan Requests

The loan request must be reviewed by the President and CEO, or the chair of the loan committee before being sent to the Loan Committee. If approved, the Loan Request will be sent to the Loan Committee along with relevant supporting documentation. Every effort will be made to send the Loan Request at least three days prior to Loan Committee meetings.

Loan Requests will generally contain the following information:

- Date
- Applicant name
- Address of proposed project
- Guarantors
- Description of project
- Loan fund to be used
- Interest rate
- Term
- Monthly payment
- Collateral
- Project description
- Financial analysis
- Use of funds
- Jobs proposed
- Justification
- Proposed risk rating

Loan Committee Review

In Loan Committee meetings, appropriate lending staff will present loan recommendations. After presentation and discussion, which may include going into executive session, the Loan Committee may:

1. Approve the loan as is, or
2. Approve the loan with changes, or
3. Request further information, thus tabling a decision, or
4. Deny the loan

Loan Committee approvals of loans greater than \$25,000, or without unanimous approval, must be referred to the full Board for approval.

COMMITMENT LETTERS

Appropriate lending staff shall prepare commitment letters for all approved loans, per the terms and conditions approved at the staff level and by the Loan Committee, and, if applicable, by the Board of Directors.

The President and CEO shall sign all commitment letters. The President is authorized to make necessary adjustments to the commitment letter in order to close the loan per the general intent of the loan committee.

The commitment letter will itemize the terms of the loan, the guarantors, and any contingencies. Loan commitments will generally expire in 90 days, unless Lending Staff extends the term in writing.

LOAN CLOSING PROCESS

Loans secured by real property are closed by a CEDC-approved attorney. All other closings are handled by Lending Staff. For loans closed by Lending Staff, the following checklist will be used as a guideline.

- Photocopy driver's license(s) or other photo ID

- Discuss documentation required for Use of Funds
- Discuss Technical Assistance (for SBA Microloans)
- Discuss publicity
- Write memo on Inability to Obtain Funds Elsewhere, if applicable (for SBA Microloans)

- Put loan on Capital Access Financial System within 7 days of closing (for SBA Microloans)
- File UCC with NYS Department of State, if applicable

SERVICING AND COLLECTIONS

Due Dates, Grace Periods and Late Fees

The first loan payment is due 30 days from the loan closing date. Subsequent due payments are due monthly on the same date. A ten-day grace period is provided. Payments received after the due date may be assessed a five percent (5%) late charge or \$25.00, whichever is greater. Late payments may be waived at the discretion of the Lending Staff, and should generally be waived if:

- It is the first time a borrower is late.
- Borrower contacts CEDC to notify them the payment will be late, and provides a valid reason.
- Borrower has a good repayment history.

Invoicing

Beginning in 2017, clients with outstanding loans will receive monthly invoices via email or U.S. mail. Coupon books will be discontinued once invoicing is in place.

Collections

- 16 days past due: a phone call is made or an email is sent to the client notifying them that their loan payment is past due and requesting payment.
- 30 days past due: the same is done, and immediate payment is requested.
- 60 days past due: a default letter may be sent, and a meeting with the client may be requested.
- 90 days past due: a demand letter will be sent, with 30 days to cure the default, and notice of intent to foreclose.

Lending staff will consult with the Loan Committee and /or Board of Directors regarding refinancing, deferments, foreclosure, write-offs or other alternatives. Decisions will be made on a case-by-case basis depending on borrower's payment history, borrower's communication with CEDC, amount of principal outstanding, and the collateral securing the loan.

Workouts

Every effort will be made to work with the borrower to mitigate loan losses and additional costs, such as attorney's fees. Options include:

- Interest-only period (maximum 6 months for SBA Microloans)
- Minimum monthly payments
- Regular monthly payment plus an additional amount toward back payments
- Loan restructuring: extending term (maximum 6 years of SBA Microloans) adding payments to end of loan, re-amortizing.

Bankruptcy

If borrower initiates bankruptcy proceedings, CEDC will receive "Proof of Claim", and collection efforts will cease, per law. CEDC's attorney will be notified of all bankruptcies.

Non-Accrual Status

Non-accrual status occurs when a loan is 120 days past due for interest and/or principal, or collection of the outstanding principal and interest is unlikely to occur.

Charge-Offs

The SBA requires loans to be charged off after 120 days. Neither Loan Committee nor Board approval is required, although it will be reported to both by Lending Staff. CEDC loans may be charged off at 120 days as well, if they are deemed uncollectable. Both Loan Committee and Board approval are required. After a loan is charged off, ongoing collection efforts will continue by Lending Staff and/or CEDC's attorney.

LENDING AUTHORITY

Lending Staff has the authority to deny loan applications, but not to approve them. Loan applications that do not receive unanimous approval by the Loan Committee must be brought to the Board of Directors for a decision.

All loan modifications are reported to the Loan Committee at least quarterly. SBA Microloans must be charged off after 120 days of non-payment per SBA regulations. Such charge-offs do not require staff, committee or board approval.

Please see the last page of this Manual for a chart illustrating lending authority limits.

PORTFOLIO MANAGEMENT

Risk Rating System

New loans are given an initial risk rating from 1 to 5 at the time of approval. Each loan outstanding will be reviewed by the President and CEO and all relevant staff members on a monthly basis. The Loan Committee and Board of Directors will review periodic reports of all loans outstanding with their corresponding risk ratings (with ratings highlighted if a rating change has occurred since last report).

Risk ratings are based on the following:

1. Payments are current; typically fully collateralized; no recent late payments; no known problems. No loan is given a 1 rating at closing; a loan may become a 1 after one year of solid performance.
2. Payments are current; may be partially uncollateralized and/or CEDC is not in first position; business may have some known risk. Likely initial rating for new loans.
3. Payments are current; may be significantly uncollateralized and/or CEDC is not in first position; may have recent late payments; business may have significant known risk. Initial rating for riskier new loans.
4. Payments are more than 60 days late; known risk threatening repayment; restructuring possible.
5. Serious default. Collection procedures initiated.

Loan Loss Reserve Policy

For SBA Microloans, CEDC is required to maintain 15% of the outstanding balance in a Loan Loss Reserve Account (LLR) for each of the loans it has with the SBA. For CEDC loans, there is no requirement, but a minimum of 5% will be reserved for potential losses.

The chart below describes how the loan risk rating system is used to determine the appropriate amount to be allocated to the loan loss reserve account for each loan.

Rating	SBA Loan Loss Reserve	CEDC Loan Loss Reserve
1	15%	5%
2	20%	10%
3	25%	20%
4	50%	30%
5	100%	50%

Adjustments to the reserve may be made at any time based on the review of borrowers’ financial performance, payment history, and other facts regarding business operations. Loan loss reserve amounts are reported to the Loan Committee and Board of Directors at least quarterly. Only the Board of Directors has the authority to increase or decrease reserve amounts.

Reporting Requirements

SBA Microloans must be updated in the Capital Access Financial System monthly. Financials must be provided to the SBA quarterly.

A Loan Status Report will be generated by the CEDC Bookkeeper on a monthly basis. It will be reviewed by the Lending Staff and President & CEO monthly, and by the Loan Committee at least quarterly.
