The Committee discussed the timing of the program, the enrollment of participants and the importance of promotion to the targeted students. They agreed an acknowledgement of the completion of the program was important. Dr. Suttmeier suggested that Questar students stay to attend the Junior Leadership program, or replace some of their classes with the curriculum from the Leadership program, noting no transportation would be required.

Twin County Recruitment Expo:

Mr. Tucker stated he was interested in continuing the Expo, in April and October. Ms. Adams asked how the success of the job fair could be judged. Mr. Jones stated business follow-up was done outlining the number of interviews and job applications received.

Career Jam:

Mr. Tucker stated Questar prefers to do a regional event as opposed to a county event. Mr. Tucker stated he had asked Mr. Church to give him 4 things that needed to be done and CEDC would do them. Ms. Adams suggested CEDC do something to complement the Questar program. Mr. Lapenn stated the Board and the Committee was unaware of all the current initiatives available.

CEDC Strategic Plan – Workforce and Education:

Mr. Lapenn expressed the need to know what programs currently existed in order to avoid duplication, noting the Committee was unaware of the current initiatives. The Committee discussed and agreed to create a compendium of the not-for-profits and workforce initiatives in Columbia County. Mr. Tucker stated he would have the document completed by March 15th.

Mr. Tucker stated he would be contacting Ms. O'Loughlin and obtaining her notes from the strategic planning session held on December 18th.
